I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: The quality of my HRT would
deteriorate, as was the case in St
Louis at the Walgreen Pharmacy -
the product was not consistent.
If natural HRT is not compounded
properly, it affects my
health --- headaches ---
